

PRODUCT MANAGER

- Solve the right problem at the right moment in the right way
- Data enthusiast
- Team player, motivated, effective and versatile
- Living in Barcelona

WORK EXPERIENCE

Jun 2023 - Ongoing

Volkswagen Digital:Hub - Product Manager

In this new stage I have joined the Volkswagen Digital:Hub team with the aim of helping the VW group brands to develop the appropriate products for their present and, above all, future, being a promoter and evangelizer of agile principles.

I build agile teams that work effectively and consistently, delivering outstanding outcomes, always taking into account the needs of our end users.

Jan 2020 - Jun 2023

SEAT:CODE - Product Manager

Contributing to the development of Giravolta from scratch. The coolest mobility platform aiming to enable sustainable mobility by dramatically reducing costs, complexity and barriers for new players.

With Giravolta I had the opportunity to learn from all aspects of a customer-oriented platform. I was focused on solving problems for both end users and operators, working on payments, users, vehicles IoT, bookings and much more!

Mar 2019 - Dec 2019

Edenway - Product Manager

I have worked within the framework of a collaboration with SEAT and the Volkswagen Group to promote the company's turnaround in the micro-mobility sector. During this period with my team I have carried out a detailed phase of product discovery to identify the needs and opportunities of the market. After identifying the promising areas, we focused our efforts on understanding the relationship between the digital and the physical product and the effect of this binomial on the definition of the product strategy.

Apr 2016 - Feb 2019

everis Spain - Project Manager

At everis I began my career as an intern until I became a senior consultant at the end of my experience, where I played the role of project manager. This experience has allowed me to be part of many company digitization projects, especially in the automotive sector, facing numerous technological, organizational and personal challenges.

Jun 2013 - Jun 2016

A.S.D. Empatiamoci - Co-Founder

I contributed to the creation and management of Empatiamoci, a small non profit Pet Therapy organization, located San Sebastiano al Vesuvio (NA), Italy, with the aim of helping the well-being of children and adults with special needs and promoting their inclusion in society.
